DIARY NOTES

25X1A	<u>DD/S</u> 31 August 1957 25X1/
25X1A12	
25X1A9a	advised me that the National Security Agency had neither approved nor disapproved of our proposal to undertake activities in Latin America in support of our Station Chiefs. He said that General Cabell felt we should go ahead with this in Latin America as well as other places where it is necessary to render direct support to our Station Chiefs.
25X1A9a	3. also reported that in view of the current situation in the Near East and the Soviet publicity concerning the intercontinental ballistics missile 1. (I don't know where the X1A2d1
25X1A2d1	there is renewed pressure to get going on Project . (I don't know where the latin America gram.)
